By adding the following new item at the end of Section 12:

Item 1. There is appropriated the sum of \$49,150,000 to provide a five percent (5%) across-the-board salary increase effective July 1, 2002 for each state employee and to adjust the appropriate salary ranges in a like manner. The salary increase is not applicable to employees in positions which come under the provisions of a statutory salary plan: provided, however, that employees who come under the provisions of a statutory salary plan shall receive compensation increases in accordance with the provisions of such statutory salary plan.

Item 2. There is appropriated the sum of \$20,516,600 to address employee compensation issues. The Commissioner of Personnel and the Commissioner of Finance and Administration shall submit to the Speaker of the House of Representatives, the Speaker of the Senate and the Chairmen of the Finance, Ways and Means Committees of the Senate and House of Representatives a plan for the allocation of this appropriation to state agencies. Such plan shall also be submitted to the Office of Legislative Budget Analysis. There is earmarked a sum sufficient to address legislative employee compensation issues.

Item 3. It is the legislative intent that the appropriations made in this amendment are not in addition to funds otherwise appropriated for such purposes but shall be cumulative to the amounts specified in the above items.
